Acquisition, DPAP. (VTC/DCS Session)
4. Reliability Engineering Tutorial, Seminar Room 4; DAU Coordinator – Dr. John Snoderly; Instructor – Mr. John Heinbach, DAU; OSD Practitioner, Mr. Andrew Monje, Office of DepSecDef for Systems Engineering. (Local, No VTC or DCS)

***DAU Acquisition Training Symposium***
***Strengthening Cost Consciousness, Professionalism, and Technical Excellence***
***(continued)***

***NOTE # 1:  DAU recommends 6.0 Continuous Learning Points (CLPs) per attendee for attendance at all plenary sessions and participation in 3 classroom training sessions.  CLP recommendation applies to VTC attendees as well, with partial credit for attending parts of the symposium.***

***NOTE #2:  For training sessions, three classroom – CCCC, SR 1, and Howell Auditorium will be fed via VTC/DCS to remote sites.  Check on day of Forum at check-in desk for final assigned breakout and training session venues, since they could change based on number registering for each session.*** **(See below Note #5 for listing of VTC Feeds to Remote Sites.)**

***NOTE #3:  An event survey will be requested from attendees after the forum via internet access to a specific website; the survey URL will be provided to each attendee via e-mail at conclusion of the symposium.***

***NOTE #4:  Some venues for classes change in 2d  and 3rd session blocks.***

***NOTE #5:  Draft listing of VTC/DCS Feeds to Remote Sites are located at following link: http://www.dauaa.org/Symposium2016/Index.htm (active as of 1 March 2016)***

***NOTE #6:  Lunch venues in Bldg 226 (Scott Hall) – will be provided when checking in at Symposium.***

***NOTE #7:  This government-sponsored symposium is hosted by the Defense Acquisition University, with administrative support provided by the DAU Alumni Association.  Attendee registration fees offset the cost of planning and execution of the symposium, including lunch.***
